TRY, TRY AGAIN

'T' is a lesson you should heed, Try, try again;
If at first you don't succeed, Try, try again;
Then your courage should appear,
For, if you will persevere,
You will conquer, never fear,
Once or twice though you should fail,
If you would at last prevail,
If we strive, 'tis no disgrace
Though we do not win the race; What should you
do in the case? If you find your task is hard,
Time will bring you your reward,;
All that other folks can do,
Why, with patience, should not you?
Only keep this rule in view; Try, try again;
